VAUXHALL

*YOUR TIME,  
ALL THE TIME.*

VX\_CRO\_27262

*Early morning me time.  
Quick stretch, run along  
the coast. Yoga in the  
sunshine. Nothing else  
comes close – apart from  
a perfect flat white with a  
foot massage afterwards.*

Just check that shapely SUV design. It's packed with smart features you'll wonder how you lived without, from a Wi-Fi connection to help with parking.

So relax, enjoy, and don't worry about a thing. This is a car that makes time for you.

*LOOKS THIS GOOD  
FEELS SO GREAT.*

VX\_CRO\_26727

*Stopped at traffic lights by a  
shop window. Quick cheeky  
glance...looking good.*

It's not what you wear, it's how you wear it. Great style's about confidence. An attitude for every moment, whether it's a city break, school run or muddy festival. With swag to spare, Crossland X's got a serious strut on, with sleek, muscular curves made to make you feel good. Wherever, whatever.

GET IN.

VX\_CRO\_26750

Like any relationship, it's not simply about looks.  
Hey, it's what's inside that counts.

And inside Crossland X you'll see plenty of smart stuff on show.

Its interior and facia are stylishly uncluttered, with plenty of space, light and all-round visibility, thanks to Crossland X's height.

Seating's comfy, adaptable, with loads of well thought out storage ideas, and a touchscreen infotainment system everyone's gonna love. That's even before you've said "and you can connect with my 4G Wi-Fi Hotspot". Then they'll fall in love with you.

Go on, have a look. It's the beginning of a beautiful relationship.

VX\_CRO\_26750

*BEAUTY FROM  
THE INSIDE OUT.*

VX\_CRO\_26692

Spend a little time in the Crossland X and you'll feel good things.

Its big-hearted comfort, space and flexibility make your life rock even harder, not forgetting the 4G Wi-Fi Hotspot and touchscreen entertainment.

And, as you'll see, its beauty is in the details. From smart ideas like anti-dazzle headlights and automatic emergency braking to Vauxhall OnStar personal assistance and ergonomic front seats, there's plenty of reasons to be cheerful.

And we didn't even mention its lean, mean engines and head-turning models. Beauty...bring it on.

*WE DO THE DAZZLING,  
(NOT THE CAR).*

We love to dazzle with the best of them. But when it comes to lighting, it's all about the occasion. So here's a little enlightenment.

You'll drive safer, surer and more relaxed than ever with Crossland X's smart headlights. Not only do they have LEDs shining brighter than halogen or xenon bulbs, they adapt to oncoming traffic so you never have to switch your headlights.

You can focus better on the road, see further ahead, and it makes your car easier to see (heck, never any harm in a bit of extra attention).

## SOME BRIGHT IDEAS ON BOARD THE CROSSLAND X

### Dodge the dipping with high beam assist<sup>1</sup>

No need to dip your headlights again, ever. These adaptive headlights sense oncoming vehicles and switch automatically between low and high beam (so you don't have to).

VX\_CRO\_26768

### Make a smart turn with cornering lights

When you're steering into a corner or parking at night (travelling under 25mph), special side beams give you extra visibility.

VX\_CRO\_26769

<sup>1</sup> Optional at extra cost as part of the Premium LED Lighting Pack.

SO SMART,  
IT'LL STOP YOU  
IN YOUR TRACKS.

## A HEADS-UP ON CROSSLAND X'S SAFETY

Everyone makes mistakes. We're only human, right? But when you're driving, there's more at stake.

That heart-in-mouth moment when you have to brake suddenly. Rewind that moment though – imagine you had a hi-res camera looking out for you, with sensors to alert you seconds quicker and help you brake sooner?

At the wheel of the Crossland X, driving can be so much safer. Smart, reliable tech like automatic emergency braking, head-up display and lane departure warning keep you alert and can buy you vital seconds of reaction time to correct any slip-ups.

VX\_CRO\_26712

### Keep your eyes on the road with head-up display<sup>1</sup>

This clever system projects important info (like your speed and other dashboard alerts) onto a panel in your line of sight, to help keep your eyes front with less distraction.

### Avoid trouble ahead with automatic emergency braking<sup>2,4</sup>

When you're out on the road, this ingenious system warns if you approach the car in front too fast, and automatically brakes for you as a failsafe. Phew.

### Stay on the straight and narrow with lane departure warning

If you drift out of your lane without signalling, this warning system alerts you with a sound, and a visual warning.

### See what you can't see with side blind spot alert<sup>3</sup>

If a vehicle moves into your blind spot, you get an instant visual alert.

### Get alerts about important speed signs to help you drive

Smarter, safer and helping you avoid fines, the Crossland X's speed sign recognition system detects and alerts you to current and changing speed limits.

1 Optional at extra cost in conjunction with Navi 5.0 IntelliLink infotainment system.

2 Optional at extra cost as part of the Safety Pack.

3 Optional at extra cost as part of the Park and Go Pack.

4 Please refer to the Crossland X Price and Specification Guide, available to download from [vauxhall.co.uk](http://vauxhall.co.uk), for full details on the operation of the automatic emergency braking system.

*ONCE YOU'VE TRIED THIS,  
YOU'LL NEVER LOOK BACK.*

VX\_CRO\_26714

We've got your back with the  
panoramic rear-view camera<sup>1</sup>

Using your facia's touchscreen display, this smart 180° camera gives you a pin-sharp, extra-wide view of the blind spots behind and to the sides of your car. Makes it so much easier to avoid accidents when you're reversing in and out of spaces.

VX\_CRO\_26726

## LOOK FORWARD (AND BEHIND) TO PERFECT PARKING

Parking's maybe the least-popular aspect of driving (apart from being stuck in traffic, that always sucks). So thank the techies for Crossland X's driver assistance systems. Helping you park like a pro and even giving you eyes in the back of your head with a rear-view camera.

*Never thought I'd  
own a car that  
actually finds a  
space and parks  
itself. How cool  
is that?*

**Parallel parking's a doddle with  
advanced park assist<sup>2</sup>**

This ingenious system sizes up free parking spaces and then automatically steers you safely in – all you do is work the pedals. It'll steer itself out of the space too.

VX\_CRO\_26744

1 Optional at extra cost as part of the Park and Go Plus Pack.  
2 Optional at extra cost as part of the Park and Go Packs.

# VAUXHALL ONSTAR YOUR PERSONAL ASSISTANT ON BOARD.

## THIS COULD BE THE IDEAL TRAVEL COMPANION

Journeys go faster with great company. It's just a good feeling to have someone with you along the way.

## YOU'RE SAFE

With OnStar you have emergency assistance at your fingertips, available 24 hours a day, 365 days a year.

- **Automatic Crash Response<sup>1</sup>:**

in case of a crash and an airbag deploys, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with passenger and key car information and can send them to your exact location.

- **24-Hour Emergency Call Service<sup>1</sup>:**

you, a passenger or a passer-by are not feeling well? Push the red SOS button and our advisors make sure to send help right away.

- **Roadside Assistance<sup>1,3</sup>:**

- **Stolen Vehicle Assistance<sup>1</sup>:**

in case your car gets stolen, report it to the police and get a crime reference number. Once the car stops and is turned off, OnStar blocks the ignition so the car can't be restarted again and provides the police with GPS data to help retrieve your car safely.

## YOU'RE WELL CONNECTED

Nowadays, we're pretty used to having Wi-Fi on tap almost everywhere. So why not your car? And you can use the smartphone app to view the status of some functions, locate your car, and lock or unlock it if needs be.

a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.

- **Remote Control<sup>1,4</sup>:**

if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the

**My Vauxhall Smartphone App.**

- **Car Locator<sup>1,4</sup>:**

To ensure your privacy, you can turn OnStar off and on anytime<sup>5</sup>. Find out more at [vauxhall.co.uk/onstar](http://vauxhall.co.uk/onstar)

## YOU'RE LOOKED AFTER

Who wouldn't want a personal assistant?

At the touch of a button, you'll be connected to an assistant who's at your service – 24 hours a day, 7 days a week.

plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.

- **Parking Service<sup>1,7</sup>:**

never search for a parking space again! Via Parkopedia.com, OnStar finds and leads you to the next vacant parking spot. This way, you already know availability and parking fees before you get there.

How's that for personal service?

All without leaving your new Crossland X.

<sup>3</sup> OnStar will direct a professional breakdown recovery team to your location. # *A SPOT OF COLOUR.*

The power of colour. To set a tone, turn heads, lift your soul, raise a smile, brighten a day. So, for Crossland X, we created a range of solid, brilliant, metallic and premium finishes to shape your perfect mood\*. Here's our favourite mixes.

\*Please refer to the latest Crossland X Price and Specification Guide available from [vauxhall.co.uk](http://vauxhall.co.uk) for details of colour availability by model and price. Due to the limitations of the printing process, the colours reproduced may vary slightly from the actual paint colour and trim material. As a result, they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of paint finishes.

# *IT'S THE CAR THAT LOVES YOU, BACK.*

VX\_CRO\_26750

The way your whole body purrs when you sink into a properly comfy chair that hugs and supports you. Especially your back – it tingles with the attention.

That's the feeling we were after with our AGR\* ergonomically certified front seats for Crossland X\*\*. They're approved by an independent committee of Germany's finest back health experts and medical professionals (and they are serious about backs, believe us).

Because, as well as making your drive so much more comfortable, it looks after you too.

### Sitting comfortably? You will be

Head restraints are adjustable two ways to give you perfect head support. Tailored lumbar support is electronically adjustable for perfect back comfort. Extendable thigh support provides perfect comfort for your legs. 16 adjustable seating controls gives you plenty of settings for the lumbar area, seat cushion, and seat position.

### You'll be sitting pretty

Arrive relaxed with ergonomically certified AGR seats\*\*. Designed to help you avoid back pain on long trips, they're just one of the premium-class highlights that make the Crossland X interior comfortably above the rest.

SE models – Peanut black fabric seat trim inserts, Plain black fabric side bolsters.

Tech Line Nav, Elite and Ultimate models – Florey black fabric seat trim inserts, Medium grey fabric inner side bolsters, Black Morrocana outer side bolsters.

\*AGR stands for Aktion Gesunder Rücken, which translates as the Campaign for Healthier Backs.  
\*\*Optional at extra cost. Includes Florey black fabric seat trim and Morrocana side bolsters on SE models.

# WE LOVE A LITTLE EXTRA.

Spacious and flexible inside, with plenty of smart tech, we've got to say there's not much Crossland X can't handle. But who doesn't need some little extras to make their car just right? No problem.

Whether you're doing the school run every day or planning a big road trip, there's a handy accessory designed to make Crossland X do even more for you. To discover more, visit [vauxhall.co.uk/accessories](http://vauxhall.co.uk/accessories)
